DELTA
CONSULTING GROUP

Padma Todi, CFA

E: padma.todi@osbornes.com

Padma Todi is a Director at Osborne Partners, A Delta Consulting Group Company, with more than seven years of experience in economic and financial consulting. She specializes in damages assessment, business valuation and economic analysis in international arbitration, litigation and regulatory matters. Her experience includes investment treaty disputes, shareholder and contractual disputes, post-acquisition claims, competition investigations and merger control.

Padma has worked across a range of industries, including real estate, retail, gaming, infrastructure, pharmaceuticals, telecommunications, metals and mining and media and entertainment. She has supported the preparation of expert reports, economic assessments and hearing materials involving complex financial and valuation issues across multiple jurisdictions.

Selected Project Experience

- Prepared an expert report responding to an assessment of losses allegedly suffered by an Indian steel manufacturer following a breach of an iron ore supply agreement.
- Prepared an expert report responding to an assessment of losses allegedly suffered by a Chinese retailer following a breach of a distribution agreement by a European fashion brand.
- Prepared an expert report in a post-acquisition dispute between two pharmaceutical companies, analyzing Indian Accounting Standards to determine contingent consideration.
- Prepared a reply expert report on behalf of the claimant and supported hearing preparation in a dispute involving an alleged breach of a supply contract in the mattress industry.
- Prepared responses to tribunal questions and supported expert witness hearing preparation in an investor-state dispute between a global telecommunications company and an Asian government.
- Assessed the fair value of a Chinese gaming company in connection with dissenting shareholders' rights under Section 238 of the Cayman Islands Companies Act.
- Prepared expert reports in a post-demerger dispute between an Indian real estate developer and a Middle Eastern real estate developer involving multiple residential and commercial properties.
- Prepared an economist's report and responses to information requests and a show-cause notice concerning the merger of two major media and entertainment companies in India.
- Prepared an economist's report and supported hearing preparation in an abuse of dominance investigation by the Competition Commission of India involving an online intermediary in the hospitality sector.
- Prepared an expert report responding to an assessment of losses allegedly suffered by an Indian steel manufacturer following a breach of an iron ore supply agreement.
