

Neale Munro, FRICS, FCI Arb, MSc, BSc (Hons) Director

T: +44 (0)7795 361511 **E:** nmunro@delta-cgi.com

Neale Munro has thirty years industry experience and has been a Chartered Quantity Surveyor for over twenty years. Neale has an in depth understanding of contractor claims (preparation and defence) from having held directorships and senior commercial roles for regional and national main contractors for the first 25 years of his career.

Now specialising in dispute resolution and avoidance work, Neale provides advice and guidance on contractual issues and quantum matters on construction and infrastructure projects. He also acts as a quantum expert and has advised on quantum matters on projects with values up to £26 billion.

Neale has experience in negotiation, mediation, adjudication and arbitration and has a comprehensive knowledge of all principal forms of contract. His breadth of experience covers the built environment sector. Neale holds Fellowship status with the RICS and the CI Arb, has an MSc in Construction Law and Dispute Resolution, as well as a BSc (Hons) in Quantity Surveying. Neale is a member of the Society of Construction Law and the Adjudication Society and is an RICS Registered Expert Witness.

Selected Project Experience

► Residential Project, Middlesex, UK

Submission of an expert quantum report as part of an Adjudication on a residential scheme using the JCT IC 2016 [Middlesex].

► New Build Nuclear Power Station, UK

Acting in an embedded role (Apr-2022 to Dec-2023) for the Employer as Commercial Subject Matter Expert on a multi-billion-pound infrastructure project advising on contractual issues and quantum matters [UK].

► Residential Project, Cornwall, UK

Represented main contractor in a Mediation and subsequent Arbitration with a Professional Indemnity Insurance provider.

► Residential Project, Reading, UK

Assisting the appointed expert with assessing costs incurred by the employer following a partial re-build of the development and other associated remedial works.

► Industrial-to-Office Conversion, Luton, UK

Project advisory services to the employer associated with the assessment of the main contractor's interim valuations and final account.

► Railway Project, London, UK

Project advisory services to a sub-contractor associated with change management including project delays.

► Education Project, Limerick, Ireland

Acting as quantum expert in Mediation and an Adjudication to opine on an electrical sub-contractor's final account which included differences on the measured works, variations and loss and expense.

► Education Project, Limerick, Ireland

Acting as quantum expert in a Conciliation to opine on a main contractor's loss and expense claim.

► Residential Project, Essex, UK

Acting as quantum expert in Litigation to opine on the reasonableness of sums claimed in respect of defective works.

► Residential Project, Sheffield, UK

Acting as quantum expert in Litigation to opine on the reasonableness of sums claimed in respect of incomplete and defective works.
