

Adeline Sou

E: adeline@osbornes.com

Adeline Sou is a Senior Consultant at Osborne Partners, A Delta Consulting Group Company. She specializes in valuation, damages assessment and financial analysis in complex commercial disputes and investigations. Her experience includes business and minority interest valuation, lost profits, foreign exchange analysis and forensic accounting.

Adeline has worked across a range of industries, including cryptocurrency, utilities, consumer goods, energy, healthcare and alcoholic beverages. She has supported the preparation of expert reports in international arbitration, regulatory and commercial disputes and forensic investigations involving businesses and assets across multiple jurisdictions.

Selected Project Experience

- ▶ Prepared an expert report assessing compensation arising from the termination of a long-standing distributorship arrangement in the alcoholic beverage sector in the Middle East.
- ▶ Prepared a forensic expert report investigating potential fraud involving the premature recognition of revenue by employees of a Middle East medical imaging and film company.
- ▶ Prepared expert reports assessing the appropriate foreign exchange rate to apply in a hyperinflationary economy in connection with damages claimed by a major multinational consumer goods company against the state arising from alleged unlawful trade practices.
- ▶ Prepared expert reports assessing the enterprise value and financial position of a regulated utility company in connection with creditor proceedings.
- ▶ Prepared expert reports valuing an alleged indirect minority interest in a global cryptocurrency exchange in HKIAC arbitration proceedings.
- ▶ Prepared an expert report assessing damages arising from a commercial dispute involving a long-term gas sale and purchase agreement between two Middle Eastern companies.
