

Akshay Sridhar

E: akshay@osbornes.com

Akshay Sridhar is a Consultant at Osborne Partners, A Delta Consulting Group Company. He provides damages, valuation and financial analysis in complex commercial disputes, with experience involving business and minority interest valuation, cryptocurrency trading and token pricing and the quantification of financial losses.

Akshay has worked across a range of industries, including oil and gas, cryptocurrency, healthcare and agriculture. He has supported the preparation of expert reports and analyses in international arbitration and other disputes involving businesses and assets across multiple jurisdictions.

Selected Project Experience

- ▶ Assisted in preparing an expert report assessing damages arising from the breach of an international gas supply agreement.
- ▶ Assisted in preparing expert reports valuing an alleged indirect minority interest in a global cryptocurrency exchange in HKIAC arbitration proceedings.
- ▶ Assisted in preparing expert analysis of the trading activity and pricing of a cryptocurrency token.
- ▶ Assisted in preparing an expert report valuing a chain of dental clinics.
- ▶ Assisted in preparing an expert report quantifying losses arising from the seizure of assets of an agricultural commodities business in Mozambique.
