Andrew Hallam is a Senior Consultant at Osborne Partners, A Delta Consulting Group Company. He specializes in the quantification of damages, valuation and financial analysis in complex commercial and investor-state disputes. His experience includes assessing lost profits, termination payments, business and investment interests and the financial position of regulated companies.

Andrew has worked on matters across a range of industries, including telecommunications, renewable energy, financial services, real estate and regulated utilities. He has supported the preparation of expert reports and hearing preparation in disputes involving government measures, expropriation, regulatory changes and other complex financial and economic issues.

Selected Project Experience

- ▶ Prepared expert reports and provided hearing support in an investor-state dispute involving a long-term water purchase agreement for a desalination project in West Africa. Quantified termination payments arising from the dispute.
- ▶ Prepared expert reports assessing losses arising from the alleged unlawful imposition of sanctions by multiple states. Valued a diversified global investment portfolio comprising energy, technology, retail, healthcare, private equity and treasury assets.
- ▶ Prepared an expert report and supported hearing preparation in a dispute involving the alleged expropriation of a Chinese telecommunications company operating in an EU member state. Assessed lost profits and other heads of loss arising from the alleged expropriation.
- ▶ Prepared expert reports assessing the enterprise value and financial position of a UK-regulated utility company in connection with creditor proceedings.
- ▶ Prepared an expert report valuing an alleged indirect minority interest in a global cryptocurrency exchange in HKIAC arbitration proceedings.
- ▶ Prepared an expert report valuing interests in a real estate development in Southeast Asia in connection with claims arising from alleged obstruction by the state.
- ▶ Prepared an expert report and supported hearing preparation in an investor-state dispute between a private investor and Ukraine involving a solar power project. Valued losses arising from changes to feed-in tariffs.
