

Maggie Bruce

E: maggie@osbornes.com

Maggie Bruce is a Consultant at Osborne Partners, A Delta Consulting Group Company. She provides damages and financial analysis in complex disputes, with experience involving the quantification of losses, termination payments, lost profits and solvency assessments.

Maggie has worked across a range of industries, including metals and mining, infrastructure, telecommunications and steel. She has supported the preparation of expert reports involving financial and economic issues arising from regulatory investigations, contractual arrangements, intellectual property disputes and transactions.

Selected Project Experience

- ▶ Assisted in preparing an expert report quantifying alleged losses arising from increased borrowing costs incurred by an international metals and mining group following the commencement of a criminal investigation in the UK.
- ▶ Assisted in preparing an expert report quantifying termination payments arising from a long-term water purchase agreement involving a desalination project in West Africa.
- ▶ Assisted in preparing an expert report assessing alleged lost profits and other heads of loss arising from alleged patent infringement in the telecommunications sector in India.
- ▶ Assisted in preparing an expert report assessing the solvency of companies involved in the acquisition of a portfolio of European steelmaking businesses.

EDUCATION

- **London School of Economics and Political Science, London, UK**
Master's degree in Economics
