Nader Lakkis is a Senior Consultant at Osborne Partners, A Delta Consulting Group Company. He specializes in valuation and damages assessment in complex commercial and investor-state disputes. His experience includes business and shareholding valuation, lost profits, shareholder disputes and the assessment of financial and economic issues arising from contractual and government actions.

Nader has worked across a range of industries, including oil and gas, metals and mining, financial services, cryptocurrency, telecommunications, healthcare, sports and leisure and consumer goods. He has supported the preparation of expert reports in international arbitration and litigation involving businesses and investments across Europe, the Middle East, Africa and Asia.

Selected Project Experience

- ▶ Prepared an expert report assessing the fair market value of a minority shareholding and alleged losses arising from a shareholder's conduct involving a group of dental clinics in the Middle East.
- ▶ Prepared expert reports valuing an alleged indirect minority interest in a global cryptocurrency exchange in HKIAC arbitration proceedings.
- ▶ Prepared expert reports assessing the distribution among shareholders of amounts recovered under an earlier investment treaty award involving a Central European food and beverage group.
- ▶ Prepared expert reports in legal proceedings concerning alleged collusion among telecommunications market participants and the resulting economic effects on affected parties.
- ▶ Prepared expert reports assessing alleged losses arising from interference with coal-bed methane development rights and petroleum licences in Wales.
- ▶ Prepared expert reports valuing investments in a fuel distribution and retail business in Southeastern Europe and assessing losses arising from alleged state interference.
