

Ömer Kama

E: omer@osbornes.com

Ömer Kama is a Senior Consultant at Osborne Partners, A Delta Consulting Group Company. He specializes in valuation, damages assessment and financial and economic analysis in complex commercial and investor-state disputes. His experience includes business and investment valuation, lost profits, shareholder disputes, solvency assessments and regulatory and competition matters in international arbitration and court proceedings.

Ömer has worked across a broad range of industries, including regulated utilities, telecommunications, energy and renewables, oil and gas, real estate and hospitality, healthcare and pharmaceuticals, consumer goods, manufacturing, transportation and infrastructure and online services. His work spans disputes involving government measures, contractual breaches, shareholder interests, transactions and regulatory changes across Europe, Asia, Africa and Central Asia.

Selected Project Experience

- ▶ Prepared an expert report in ICSID arbitration proceedings valuing a mobile telecommunications and digital financial services business in Central Asia.
- ▶ Prepared an expert report in ICSID arbitration proceedings assessing losses claimed by a global telecommunications equipment manufacturer arising from security restrictions imposed on network equipment in a European country.
- ▶ Prepared expert reports in an LCIA arbitration assessing lost profits arising from the termination of a joint venture agreement for a large mixed-use real estate development in West Africa.
- ▶ Prepared an expert report in UK restructuring proceedings concerning the enterprise valuation of a major regulated water utility.
- ▶ Prepared an expert report in court proceedings in East Asia assessing losses arising from alleged misrepresentations in connection with the acquisition of a controlling stake in a South Asian hospital group.
- ▶ Prepared expert reports in court proceedings in Southeast Asia assessing the solvency and net liability position of an oil trading group and its ability to declare dividends in the context of alleged fraudulent trading and accounting practices in Eastern Europe.
- ▶ Prepared an expert report in an ICC arbitration reviewing royalties payable by a South Asian mobile device manufacturer under a global patent licence agreement covering domestic and international sales.
