

Saachi Rawat

E: saachi.rawat@osbornes.com

Saachi Rawat is a Consultant at Osborne Partners, A Delta Consulting Group Company. She provides business valuation, damages and financial and economic analysis in complex commercial and investment disputes. Her experience includes lost profits, business and equity valuation and the assessment of financial impacts arising from government actions, contractual disputes and transactions.

Saachi has worked across a range of industries, including sports and leisure, cement and building materials, pharmaceuticals and healthcare and agribusiness. She has supported the preparation of expert reports involving businesses and investments across Asia and the MENA region.

Selected Project Experience

- ▶ Assisted in preparing an expert report assessing alleged losses arising from the failure to hold professional golf events under a venue-hosting arrangement in Thailand.
- ▶ Assisted in preparing an expert report quantifying alleged price- and volume-based losses arising from state intervention in Egypt's cement sector, including the expansion of state-owned production capacity and withheld export subsidies.
- ▶ Assisted in preparing an expert report valuing and assessing alleged losses in a post-acquisition dispute involving a pharmacy and diagnostics business in Indonesia, including the impact of alleged financial statement misstatements.
- ▶ Assisted in valuing a minority shareholding in a global palm oil and agribusiness group, including comparable company and discounted cash flow analyses, minority discount considerations and enterprise-to-equity value adjustments.
