

Saral Baheti

E: saral.baheti@osbornes.com

Saral Baheti is a Consultant at Osborne Partners, A Delta Consulting Group Company. He provides valuation, damages and financial analysis in complex commercial disputes, with experience involving business valuation, lost profits and the assessment of financial and operational performance.

Saral also has experience in buy-side and sell-side equity research and corporate management, providing a broader perspective on business performance, financial analysis and valuation. He has worked on disputes across a range of industries, including media and entertainment, technology, aviation and renewable fuels.

Selected Project Experience

- ▶ Contributed to the preparation of expert reports assessing damages exceeding \$1 billion in a dispute between two leading media and entertainment companies in India.
- ▶ Reviewed a third-party valuation of a UK-based biofuels company in administration.
- ▶ Analyzed financial and operational records to support a lost profits claim in an aviation dispute in Saudi Arabia.
- ▶ Assisted in preparing an expert report valuing a blockchain-based startup, including the application of option-pricing models and discounts for lack of marketability.

EDUCATION

- **Indian School of Business, India**
Post Graduate Programme (PGP) in Finance

AFFILIATIONS/ASSOCIATIONS

- Member, Institute of Chartered Accountants of India
