DELTA CONSULTING GROUP

James P. Gillespie, CFE

Managing Director

T: +1 (720) 826 8822 **E:** jgillespie@delta-cgi.com

James Gillespie is a Managing Director in Delta's Insurance & Recovery practice. He brings more than 25 years of experience helping policyholders prepare and resolve complex business interruption, property damage and extra expense claims. Jim's expertise includes business interruption valuation, supply chain exposure analysis, builder's risk, cyber claims and product recall claims. He has applied his economic and accounting expertise to claims with settlements ranging from hundreds of thousands of dollars to more than $1.5 billion.

Jim has advised clients across defense, mining, petrochemicals, technology, construction, renewable energy, biotechnology, pulp and paper, manufacturing, retail, banking, pharmaceuticals, gaming and hospitality. His work includes managing international claims for major retailers, assessing complex operational exposures and quantifying losses arising from fires, natural catastrophes and cyber incidents.

Selected Project Experience

- **International Retail Claims and Supply Chain Exposure**

Served as designated forensic accountant for multiple international retailers, including Fortune 500 companies, supporting claims internationally. Quantified annual business interruption values and reviewed contingent business interruption and supply chain risks.

- **Lockheed Martin | CZU Lightning Complex Fire**

Led the claims team for losses arising from the 2020 CZU Lightning Complex fire. Addressed government contracts, Defense Contract Management Agency (DCMA) rules and regulations, construction codes and U.S. national defense requirements.

- **Activision Blizzard | Global Business Interruption Exposures**

Reviewed property and operational exposures and business interruption values for a global video game software publisher. Interviewed personnel and analyzed game development, production, physical and digital distribution and cyber-related impacts.

- **King Digital Entertainment | Cyber Claim**

Prepared a large, complex cyber claim for Activision Blizzard's King Digital Entertainment division.

- **Apple | Builder's Risk and Property Damage**

Assisted in preparing and settling multiple builder's risk and property damage claims involving increased operating costs, soft costs and schedule impacts.

- **Berry Global | International Claims**

Assisted with multiple global claims involving property damage, cyber incidents and COVID-19.

- **SABIC | Geismar Ethylene Plant Explosion**

Calculated business interruption, extra expense and property damage losses following a catastrophic explosion at an ethylene production facility in Geismar, Louisiana. The plant rebuild took more than a year and losses totaled hundreds of millions of dollars.

- **SABIC | Japan Earthquake and Tsunami**

Assisted with claims arising from the 2011 Japan earthquake and tsunami.

- **SABIC | Thailand Floods**

Assisted with claims arising from the 2011 Thailand floods.

- **SABIC | Asia-Pacific Loss Services**

Provided loss services throughout SABIC's Asia-Pacific operations, including Japan, China, South Korea, Southeast Asia and India.

EDUCATION

- **University of California, Santa Cruz**
  Bachelor of Arts in Business Management Economics
